

Dear partners and friends,

We cordially invite you to join us at the seventh edition of the Macedonia2025 Summit that will take place on **November 7-9th** in Skopje, Macedonia. Macedonia2025 Summit is a premier regional business platform for **sharing best practices, inspiring change and promoting collaboration**.

For this year, we have confirmed more than **50 top-notch speakers** and we expect a diverse audience of **500** high officials, diplomats, executives, entrepreneurs, academia members and young leaders. We plan to have more than 10 panel discussions and 6 breakout sessions highlighting topics such as **global economic trends, regional investments and trade, latest technological developments in IT and healthcare, digital transformation, establishing innovations hubs**, etc. We will also showcase globally successful Macedonian companies and we will discuss best practices in entrepreneurship and leadership.

Over the years the event became regionally recognized as one of the best business gatherings that provides many networking opportunities and exposure to internationals who seek to collaborate with local companies. We truly hope that you will recognize the value of this event and will join us in the shaping of a better future for the region and Macedonia.

Sincerely,

Zoran Martinovski
Macedonia2025 Summit Co-Chair

Macedonia2025 is international, independent, nonpartisan, non-profit "think & do" tank founded in 2007 by Macedonian expatriates who envision a proactive way of contributing to the economic and democratic development of Macedonia. As an organization, we are dedicated to helping create a prosperous economic climate and a "stronger nation" that will improve opportunities for citizens, companies, and foreign investors. We promote sustainable economic growth through fostering competitiveness, entrepreneurship, innovation and value-based leadership. With headquarters in Skopje and supporters around the globe, we encompass a wide array of programs that enable expatriates to give back to their homeland.
